

Carrying Bag for the Shuttle All-in-One PC X50 Series

The strong nylon surface with integrated Shuttle-logo takes care of optimal safety on every transport. The PC will be fixed by a velcro fastening belt inside the bag to rule out sliding on the move. To avoid scratches on the display, the inner surface is designed with a 1cm soft, upholstered pad. Plenty of practical pockets and on the inside to keep large amount of accessories. The attached upholstered shoulder carrying belt guarantees a comfortable transport without any problems.
