XPC Accessory PV03 – Installation Guide

①

Due to safety reasons, please turn off your computer completely first and unplug it from the power supply.

②

Vertical Stand
Screw

Unscrew one screw of the stand mount and remove the vertical stand.

③

Fasten the VESA MOUNT at rear of LCD monitor with four screws.

④

As shown, install the XS36 in the VESA MOUNT and push it towards the direction as indicated by the red arrow.

⑤

Check that it is properly aligned, then tighten securely with one thumbscrew.
